Universa<sup>2</sup> HD Lenses

# ENCORE®

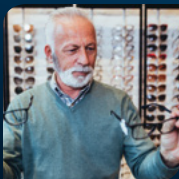

Centennial Optical created the Encore frame collection exclusively for CAO members, providing exceptional value with **200 models in over 400 colour and size combinations.**

A full range of lens designs, materials and treatments are available in all Encore and Beaver Canoe frame collections.

## ENCORE WORKS FOR YOU AND YOUR PATIENTS

- A high level of patient satisfaction was reported in a CAO survey of Encore frame wearers.
- All frames and lenses are covered by a two-year warranty from date of dispensing.
- Orders for frames and LabPak packages can be placed online 24/7 via the Centennial Optical website:

**[www.centennialoptical.com](http://www.centennialoptical.com)**

## THE ENCORE LAB PAK COMPLETE FRAME AND LENSES PACKAGE

- The widest selection of lens options and brands available in any frame and lens package program.
- The widest available selection of blue light protection and AR coating options available.
- Includes Universa HD customized lenses\*:
  - Universa2 HD Progressive lenses with up to 40% larger fields of clear, sharp vision than standard progressives.
  - Universa HD office lenses, available in three power ranges.

## ENCORE LABPAK: A PROGRAM THAT STOPS WALK OUTS!

- Complete eyewear value proposition: "Your prescription in any of these frames at one price".
- Reduce patient cost concerns and avoid "calculator" pricing.
- Customized office price list.
- Simplify your dispensing process, offering competitive package pricing for complete eyewear.
